

A Seamlessly Curated itinerary: Day One | Arrival & Welcome

As the mist gently lifts over the Himalayan foothills, your closest friends and family arrive at Koti Resort Shimla—a member of **Radisson Individuals Retreats**. Guests are welcomed with warm Himachali hospitality and panoramic mountain views, settling into elegantly appointed rooms and suites overlooking valleys and forests. The evening unfolds with a relaxed welcome gathering, set against soft lights, cool mountain air, and the promise of days filled with celebration.

Day Two | Celebration & Ceremony

The morning begins unhurriedly, with birdsong, sunlit balconies, and shared breakfasts amid sweeping Himalayan vistas. As the day progresses, the resort transforms—floral installations bloom across gardens and indoor venues, music drifts through the hills, and anticipation fills the air. Your ceremony takes place in a setting of your choosing: a romantic garden framed by the mountains or an elegant indoor venue adorned with bespoke décor. As vows are exchanged, nature becomes part of the celebration. The evening crescendos into a joyous reception—curated cuisine, flowing conversations, and dancing beneath the stars.

Day Three | Farewell & Memories

The final morning arrives gently. Guests gather once more for a leisurely farewell brunch, sharing stories, laughter, and lingering moments. As departures begin, what remains are cherished memories—of love celebrated, of mountains standing witness, and of a wedding that felt intimate, indulgent, and timeless.
